CAREER OBJECTIVE

Result-oriented Information Science student with strong problem-solving skills and hands on experience in software development. Eager to contribute to dynamic teams by building robust, efficient solutions using modern technologies. Motivated to learn and upskill in a fast-paced collaborative environment.

EDUCATIONAL QUALIFICATION

- **Bachelor of Engineering – Information Science and Engineering**
  CMR Institute of Technology, Bengaluru
  7.88 CGPA, 2027(Pursuing)
- **12th Grade – Science (CBSE)** St. Michaels High School, Patna, Bihar
  90.4%, 2023
- **10th Grade (CBSE)**
  Notre Dame Academy, Patna, Bihar
  96%, 2021

TECHNICAL SKILLS

- **Programming Languages:** C, Java, Python
- **Operating Systems**: Windows, Linux
- **Database:** MySQL, MongoDB, PostgreSQL
- **Web Technologies**: HTML, CSS, JavaScript, NodeJs, ExpressJs
- **Software**: MS Excel, Google Sheets
- **Frameworks:** ReactNative
- **APIs :** RestAPI
- **Machine Learning** : Basics
- **Data Analytics** : Power BI, Tableau

PROJECTS

- **Ransomware Threat Detection and Protection** ○ Designed and implemented a system to detect anomalies in database files to ensure data integrity and reliability.
  - Built functionality to automatically replace corrupted files with newly encrypted versions, maintaining secure and updated records.
  - Integrated a secure data destruction mechanism to remove compromised files and prevent unauthorized access.
  - Developed an ML-based anomaly detection system with Java Swing and PostgreSQL, featuring encryption/decryption for secure file replacement and automated removal of corrupted data.
  - Tech Stack**: Java, Java Swing, PostgreSQL, Machine Learning (Anomaly Detection), File Encryption (AES), JDBC**
- **Online Examination System** ○ Designed and developed a secure web-based online examination platform using Java, JSP, and MySQL.
  - Implemented features for student registration, randomized question paper generation, and automatic evaluation.

- Built admin functionality to manage tests, results, and performance analytics.
- Ensured security with user authentication and session management. ○ Tech Stack**: Java, JSP, Servlets, MySQL, HTML, CSS, JavaScript • Certification Authentication Website**
- Built a certificate verification web app using React.js and Node.js with Google Sheets as the backend datastore.
- Implemented an API to validate enrolment IDs and fetch corresponding certificate links. ○ Designed a responsive, simple UI for users to view and download certificates (PDF/JPEG).
- Added error handling and secure login workflow for basic authentication.
- Tech Stack**: React.js, Node.js, Express.js, Google Sheets API, HTML, CSS, JavaScript**

INTERNSHIPS

- **Company Name:** Pync
- **Duration:** September 2024- December 2024 • **Role:** Business Analyst Intern
- **Responsibilities:**
  - Analysed and maintained daily operational records of cleaning partners to ensure data accuracy and accountability. ○ Managed and tracked financial accounts while generating performance and growth reports for strategic decision-making.
  - Conducted data analysis on business growth trends to support efficiency improvement and operational planning.

CO-CURRICULAR AND EXTRA CURRICULAR ACTIVITES

- **Online courses and Certifications:**
  ○ Completed a course on Topic "Java: Beginner to Master" from Udemy ○ Participated in AIPPM organized by New Horizon College of Engineering ○ Aptitude Challenge, Organised by CCA Club, secured first position ○ Elite Certificate awarded on Topic "Programming,Data Structures and Algorithms in Python" by NPTEL.
- **Hackathons:**
  ○ Participated in Aptitude Hackathon conducted by CSE department ○ Participated in SQL Hackathon conducted by ISE department
- **Technical Club Activities :**
  - Organised Eureka:Pitching competition by Aspiro Club ○ Organised What's the problem workshop by Aspiro Club
  - Attended workshop on Java with Springboot conducted by ISE Department
- **Non-Technical Club Activites:**
  ○ Participated in Last Page organized by Minerva Literary Club in Cultura 2024 ○ Organised Alter Ego by Minerva Club 2025

PERSONAL DETAILS

Date of Birth	: 24th November 2005
Gender	: Female
Nationality	: Indian
Permanent Address	: #43 Vasundhara Apartment, New Patliputra Colony, Patna, 800013
Linguistic Competency	: English, Hindi
Hobbies	: Photography, Dancing, Singing
